

As another school year begins, Club Horizons wants to welcome and invite all new and returning students to be part of our program. Club Horizon's offers children a safe and comfortable home away from home. We offer care before school, after school, on no school holidays, and over breaks.

During our Beforecare program children enjoy small group games in our gymnasium. At 7:30 am they head over to the cafeteria for breakfast, and at 7:45 am they are released to their classrooms to start their school day.

During our Aftercare program, children are placed into groups based on their grade. They have the same counselor and homebase each day. The afternoon includes a schedule of activities such as snack time, homework help, outdoor activities, learning fun & games, and arts and crafts.

Once the school year is underway, we will again be offering sessions of special after-school clubs such as cooking, wildlife, science, and others. Watch your child's Thursday folder for information regarding clubs.

As always, we have exciting activities and trips planned for days that school is closed. Check out the back of this letter to see just some of the awesome trips we have already planned!

We are so excited to start the year and thrilled to welcome back our counselors Ms. Andee, Mrs. Sullivan, Mrs. Horn, and Mrs. Gundel. We would also like to welcome our newest counselor Mr. Wolfson.

Attached you will find our rate sheet for the entire year, and an application. All students attending our program, even returning ones, **MUST HAVE A NEW APPLICATION** along with the annual registration fee.

We are already accepting applications for the coming school year. You can avoid the rush at Open House and register now! Just mail back your application along with the \$45 registration fee, and your first month's payment. You can also stop by our office, located in the school gym, any time Monday through Friday between the hours of 6:30 am to 6:30 pm.

Looking forward to another great year!

Mrs. Sharon Melnick,
Director

Ms. Nicolle Flanery & Ms. Sara Tiano,
Program Coordinators

Club Horizons at JFK Medical Center Charter School
