Is your child a JFK Jellyfish?

The Swim Academy's unique learn to swim methods are nationally recognized for their success in water survival techniques and breakthrough swimming skills for young children. Water safety is our #1 priority! We offer top quality swim lessons at affordable prices. Our experienced, certified, instructors see extraordinary progress in their students as a result of our unique swim lessons. In an atmosphere of patience and love, each child can learn to swim in addition to building self-esteem through repeated success. Our unique, positive style of teaching keeps all our kids safe, swimming, and always smiling in the pool!

Instructional Swim Teams

Any child age 5 and older that is comfortable going under the water, can swim 5 or more feet unassisted and can pop up and take a breath or float by themselves is eligible for these group lessons. Children who can willingly demonstrate advance swimming skills will be placed in a more advanced level. Children who are not quite ready for a group lesson either based on skill level or comfort in new situations will need to begin in private lessons and then may progress to group lessons when they are ready. These 30 minute classes have no more than five students at the beginner levels and no more than eight swimmers at the pre-swim team level. Recreational Swim Teams

Any child age 6 and older that is able to swim 25 yards of Freestyle, Backstroke, and Breaststroke is encouraged to participate on the Barracudas Swim Team. We will practice for one hour T & Th from 2:30-3:30. Swimmers will learn skills and drills to improve their competitive strokes as well as learn flip turns and diving to prepare them to participate on a competitive team. We will have a fun "meet" this Fall and will be joining the Recreational Swim League with several meets planned for the spring. This is a great opportunity to join a growing team in its early stage with little or no experience necessary. Lesson Try-outs & Schedules

Lessons are scheduled two times per week. T/Th after school either at 2:30 or 3:00, depending on your child's level. If your child is in after care we will arrange to pick up and return them to the after care program. Private lessons schedule will vary and are on a first come first serve basis. Try-outs for all of the programs will be held next week August 24th and 26th after school at 2:30 pm at the pool. Parents must accompany your child for the try-out unless prior arrangements and forms have been signed in after care.
