

As another school year begins, Club Horizons wants to welcome and invite all new and returning students to be part of our program. Club Horizons offers children a safe and comfortable home away from home. We offer care before school, after school, on holiday breaks and teacher work days.

During our Beforecare program children enjoy small group games in our gymnasium. At 7:30 am they head over to the cafeteria for breakfast, and at 7:45 am they are released to their classrooms to start their school day.

During our Aftercare program, children are placed into groups based on their grade. They have the same counselors and home base each day. The afternoon includes a schedule of activities such as snack time, quiet time for homework, outdoor activities, learning fun & games, and arts & crafts.

This year, we are again partnered with **FAMILY CENTRAL**, the agency that administers subsidized child care funds in Palm Beach County. For more information on their service, please call 1-800-683-3327.

New this year, is our partnership with **NACCRRRA**, the National Association of Child Care Resource and Referral Agency, that provides child care assistance to members of the military. Their information is available at 703-341-4100.

As always, we have exciting activities and trips planned for days that school is closed. Check out the back of this letter to see some of the awesome trips we have already planned!

Attached you will find our rate sheet for the entire year, and an application. All students attending our program, even returning ones, **MUST COMPLETE A NEW APPLICATION** and return, along with the **annual** registration fee.

We are already accepting applications for the coming school year. You can avoid the rush at Open House and register now! Just mail back your application along with the \$45 registration fee, and your first month's payment. You can also stop by our office, located in the school gym, any time Monday through Friday between the hours of 6:30 am to 6:30 pm.

Looking forward to another great year!
